## Grüessech and welcome to *pure*

...nice that you are our guest today!

The restaurant pure focuses on regionality and sustainability. Regional producers or companies are as much as possible considered by us. Take a seat in our lounge, the bistro or on our beautiful terrace and let us spoil you. Our chef and his team have put together a selection of Mediterranean dishes. Our main focus is on Italy, but you will find dishes from all over the Mediterranean. Enjoy a glass of wine from our large selection of Swiss and international trouvailles from winegrowers of various directions. Your hosts in the restaurant will be happy to help you with your selection.

Now we wish you enjoyable hours and we look forward to your feedback.
